

Department of Multicultural Studies

In this era of racial, ethnic and cultural diversification, multicultural professionals are needed more than ever. In response to these demands, the Department of Multicultural Studies in Gangneung-Wonju National University was established with the goal of educating students to develop the theory of multiculturalism and the practical foundation systematically, nurturing multicultural professionals in Korea, and cultivating experts in cooperation with international development fields to be active overseas. The curriculum of this department enables you to acquire the second degree qualification of social worker and the second grade of multicultural society specialist. You can work in multicultural, immigrant-related government agencies or private institutions, international development cooperation, social welfare related institutions, educational welfare related institutions, or further continue to study in the graduate program as a researcher related to multiculturalism, immigration, and international development cooperation.
