

Department of Chinese Language & Literature

As the center of the Oriental cultural area, China has been a great influence in the traditional culture and the overall lifestyle of Korea and other East Asian countries from ancient times. In particular, it is located near where Korea stands and is emerging as the center of Asia and the Pacific. There is no doubt that China will be positioned as the rising star of the 21st century. In this regard, the Department of Chinese Language and Literature cultivates professional talent who can swiftly respond to current events of the world in relation to China. The door of the Department of Chinese Language and Literature is open to all students who want to challenge their unlimited potential with the 1.3 billion people, vast areas, and endless history of China.
