

Department of Nursing

| Introduction |

To foster nursing scientists who can contribute to the development of nursing knowledge and practice by cultivating knowledge and skills in specialised areas based on the understanding of human, environment, health and nursing.

To this end, students understand nursing research and conduct research on nursing problems required by nursing phenomena.

Understand the latest theories in nursing theory and related academic fields and apply them to the development of nursing practice theory.

Cultivate advanced practical competence to contribute to human welfare by sharpening expertise and skills in each major.

Establish collaborative relationships with multidisciplinary experts to contribute to the development of nursing knowledge.

Cultivate the ability as a leader to create new knowledge by exercising creative thinking in the field of nursing.

I Professor Introduction I

Name	Field of study	Tel	E-mail
Sun-ha Choi	School Health, Community Health Education, Health Promotion	033-760-8652	choish@gwnu.ac.kr
Geun-myeon Kim	Chronically Mentally Ill Individuals and Families, Dementia, Q Methodology	033-760-8643	gmkim@gwnu.ac.kr
Seon-ah Park	Simulation Education, Incontinence, Elderly Care	033-760-8644	suna73@gwnu.ac.kr
Kyung-ok Park	Cardiovascular disease nursing, Dementia, Long-term care insurance, Long-term care workforce, Gerontology, Care robots	033-760-8649	kopark@gwnu.ac.kr
Jae-hee Jeon	Adult Chronic Disease, Cancer Patients, IT-based Nursing	033-760-8648	jhjeon@gwnu.ac.kr
Eun joo Kim	High-risk child nursing, Growth and development, Nursing education methods, Meta-analysis	033-760-8650	kimeju@gwnu.ac.kr
Suyong Jeong	DigitalHealth, BigData, ArtificialIntelligence, NursingWorkforce, NursingPolicy, EconomicEvaluation, VulnerablePopulations	033-760-8642	mulyoung930@gwnu.ac.kr
Soo jung Chang	Adult & Gerontological nursing (dementia, diabetes, neurological disease), Long-term care, Qualitative research, Scale development	033-760-8645	sjchang@gwnu.ac.kr
Han-na Lee	Women's HealthNursing	033-760-8655	hannalee@gwnu.ac.kr
Myung-Sun Cho	Health Equity, Community Care, Quality of Life, International Health, Health Promotion	033-760-8647	mscho@gwnu.ac.kr
Myung Sun Cho	Children with disabilities, health behaviors of parents of children with disabilities, adolescent substance abuse	033-760-8658	leemh@gwnu.ac.kr
Jeong-won An	International patient care, cultural competency, simulation training, communication	033-760-8678	jwahn@gwnu.ac.kr
Ji-san Lee	Consumer Health Informatics, Digital Health Equity, Literacy, Data Standardization, Simulation Education	033-760-8646	jsan@gwnu.ac.kr
Min-ji Gil	Depression and Suicide Prevention, e-Mental Health, Machine Learning	033-760-8639	mjpgil@gwnu.ac.kr
Seo-yeon Kim	Preconception healthcare, reproductive health promotion, high-risk pregnancy care, women's cancer prevention	033-760-8656	sykim@gwnu.ac.kr

I Curriculum – Master's course · Doctoral course I

Course Code	Course Title	Credit
806.501	Nursing Research	3-3-0
806.502	Nursing Philosophy	3-3-0
806.503	Nursing Theory	3-3-0
806.601	Seminar on Advanced Adult Health Nursing	3-3-0
806.611	Nursing Informatics	3-3-0
806.617	Seminar in Nursing seminar	3-3-0
806.619	Nursing and Health Policy	3-3-0
806.628	Seminar in Health Eduaction	3-3-0
806.629	Advanced Health Assessment	3-3-0
806.801	M.S. Thesis Research 1	3-3-0
806.802	M.S. Thesis Research 2	3-3-0
806.631	Ethics and legal cases in health science	3-3-0
806.632	Nursing Statistics	3-3-0
806.504	Analysis & Evaluation of Nursing Theory	3-3-0
806.636	Seminar on Management of Chronic Illness	3-3-0
806.637	Oncology Nursing Intervention	3-3-0
806.640	Advanced Nursing Statistics	3-3-0
806.643	Planning and evaluation of health promotion program	3-3-0
806.645	Advanced Psychosocial Nursing	3-3-0
806.646	Advanced Child Health Nursing	3-3-0
806.654	Nurising simulation	3-3-0
806.655	Qualitative research	3-3-0
806.658	Women's Health Seminars	3-3-0
806.659	High-Risk Women's Health	3-3-0
806.660	Health Communications	3-3-0
806.661	Measurement tool development	3-3-0
806.662	Home Care Nusing Intervetion	3-3-0
806.663	Semina in Nursing Intervention for Child and Family	3-3-0
806.664	Dementia care	3-3-0
806.665	End-of-life care	3-3-0
806.803	System Thinking and Nursing Strategy	3-3-0
806.804	Advanced Nursing Research	3-3-0
806.805	Nursing Philosophy	3-3-0

806.806	Qualitative research	3-3-0
806.807	Learner Analysis and Design of Nursing Learning Environment	3-3-0
806.808	Seminar for Writing Research Papers	3-3-0
806.809	Global healthcare	3-3-0
985.008	Panel data analysis and Academic writing	3-3-0
985.009	experimental study design	3-3-0
985.010	Health-related Theory	3-3-0
985.011	Digital Nursing and Healthcare Services	3-3-0
